

Western Hills High School  
Choral Department Booster Club  
Minutes of Meeting  
October 23, 2007

The October meeting was called to order at 5:00 PM, October 23, 2007. Those in attendance were Tiffany Marsh, Kay Shanker and Teresa Lewis.

1. Fundraisers—Tiffany reported that magazine sales were \$1,700, 40% of which is profit to the boosters, 20% of that going into each student's account. Kay noted that \$900 more was grossed with last year's cookie dough sales. Tiffany commented that the candy sales are always successful, but we must make sure we do well with that to get the full \$2,500 match from Modern Woodmen. It was suggested that we do two candy sales, one in fall and one in late winter, in lieu of magazines or cookie dough.
2. Student Accounts—Kay delivered the updated student account statements, which will be distributed to students this week.
3. A revised 2007-08 event schedule will be sent home with students tomorrow to reflect the cancellation of the Orlando trip, as well as some other changes.
4. Attire—Fittings will be done October 25. Tiffany stated that we should not have to buy very many new pieces. Kay is working on setting up a separate account for attire fees.
5. Spring trip—The trip has been canceled due to low participation, which thus raised the individual cost. Tiffany is looking into a closer, cheaper trip perhaps to Cincinnati or Chicago. It will NOT be the same dates, though.
6. All-State chorus auditions will be held October 29 at Tates Creek. The booster club will pay one check for audition fee (\$15 per student), and students will reimburse.
7. Major Purchases/Expenses
  - Riser flooring—Tiffany reported that Todd Ellis had come to measure the area, but due to extenuating circumstances, we have not yet received the estimate.
  - Tiffany delivered the letter regarding the sound panels/asbestos, as well as a sample of the crumbling tile, to Mr. Hancock. He definitely seems concerned about this issue, though the superintendent does not want to have it tested.
8. Treasurer's Report—Kay presented the treasurer's report, showing a checkbook balance of \$10,987.07, of which \$9,211.95 is available cash.

The meeting adjourned at 5:25. **Next Meeting** will be held November 13, 2007 at 5:00 p.m.
