STATEMENT OF COMMITMENT

We have read the entire guidelines and application information and fully understand that selection for the Southern Division ACDA Honor Choir begins with a significant musical and financial obligation. We understand and accept the following statements:

- There will be an Honor Choir registration fee of \$175. This fee DOES NOT include hotel, meals, or transportation.
- The applicant will be lodging in the conference assigned hotel with other students who will be participating in their Honor Choir.
- Applicants must be currently enrolled and in excellent standing with the sponsoring organization (school, church, community choir, voice studio, etc.) during the application and participation portion of the event.
- The applicant, once selected, must arrive for registration at the designated time and remain under supervision of the Southern Division ACDA staff until the culmination of the closing concert. If any portion of the rehearsal is missed for any reason, the applicant/participant will be removed from the Honor Choir and returned to the parent at the expense of the parent.
- The participant is committed to having the music fully prepared prior to the first rehearsal according to the instructions as provided by the clinician and the Southern Division staff.
- Chaperones MUST be provided by the sponsoring organization according to ACDA guidelines. Chaperones will attend and lodge in the assigned Honor Choir hotel, but are not required to pay conference registration fees. Choral Directors attending the conference MAY NOT be used as chaperones.

Further information will be forthcoming upon acceptance.
