WESTERN HILLS CHORAL PROGRAM

Introduction

On behalf of our administration and myself, I gladly welcome you to the Western Hills High School Choral Music Program. You are now a very important member of a group that will emphasize superior performance and musical excellence, and I sincerely hope you will enjoy being a part of this organization.

I believe that our choir program offers many things to the individual student: an opportunity to demonstrate and build his/her musical ability; an opportunity to develop leadership skills; an opportunity to develop a sense of responsibility; an opportunity to meet and make new friends; an opportunity to participate in music field trips; an opportunity to perform as a representative of Western Hills High School; and an opportunity to discover the unique thrill of performance. We will be constantly working hard to learn music for our performances. Our participation in concerts, contests, and festivals will keep us busy as well as involved.

As members of the Western Hills Choral Program, we can be as outstanding as we want to be; it all depends on you. Superior music groups are a result of many hours of hard work as well as a strong dedication and commitment from each member. If we work well together and have high expectations for the group, and even higher expectations for ourselves, we will have a successful year.

This handbook is provided to make your orientation to the Western Hills Choral Music Program a quick and easy task. I encourage you and your parents to read this handbook so that you may better understand our policies and regulations, and your obligations. A Western Hills High School Choir Member should be cooperative, strive for the highest possible scholastic record, develop a positive attitude toward the choir, school, and community, and in general, distinguish him/herself by always doing the right thing at the right time.

I am looking forward to working with each one of you this year. Whether you are new to the program or a seasoned member we will all face many new challenges, but with the right attitude we can make it a fantastic year. Your talent and group effort can make this year at Western Hills very exciting, fun-filled, and musically rewarding for all of us.

Sincerely,

Tiffany Marsh, choral director

Western Hills Choral Program Objectives

Choir is designed as a study in ensemble singing, vocal production, and music fundamentals. Students will have many opportunities to sing for personal enjoyment and perform a variety of choral literature.

Our goals are:

- To develop correct vocal techniques.
- To develop fundamental music skills in notation and sight-singing.
- To recognize musical elements and demonstrate expressive qualities in varying styles of choral music.
- To contribute to the blend, balance, and quality of the ensemble by developing the ability to sing a part securely and independently.
- To develop confidence in performing by practicing performance etiquette and decorum.
- To develop rehearsal skills which allow us to rehearse and perform at the highest level.
- To have opportunities for the enjoyment of music through active participation.
- To develop self-discipline by functioning as a responsible member of the organization.
- To experience successful achievement and pleasure through group involvement.
- To develop personal character traits of leadership, poise, and dependability as well as provide an avenue for self-expression.
- To develop a desire to continue musical experiences.

Classroom Conduct and Operating Procedures

We are all here because we have something in common; we enjoy singing. How we sound as a group has a lot to do with how we work together. If you will follow the class procedures listed below every day of the year, the result will be a choral group that truly makes beautiful music. The success of our group rests upon your individual self-discipline. Singing in harmony can only be accomplished by working in harmony.

Upon entering the choir room for rehearsal, you are to pick up your folder and **be seated quietly in your assigned seat when the bell rings.**

Students are expected to have a **pencil every day.** Marks in the music are to be made **in pencil only.**

Gum, candy, food, and drink are not permitted in the choir room. When we have gum, candy, or food in our mouths, our tonal production and diction are affected. Daily participation points will be deducted as well as other discipline actions may be taken. The only exception to this rule is bottled water.

Students are expected to demonstrate good posture for singing during rehearsal.

Talking during a rehearsal will not be tolerated. Rehearse in a professional manner and be courteous to your fellow students.

Sometimes in the course of rehearsal, only one section will be singing. The members of the sections not singing at the time should be **carefully following the musical part that is being rehearsed** so that the total knowledge of the score is achieved.

Every member of the choir is expected to **listen closely for each instruction** given by the director, so that the instruction can be done correctly by every member of the group the first time.

Each student is responsible for **returning his/her folder to its appropriate location** following rehearsal.

Students are expected to rehearse music outside of class. For this reason, **music folders may be checked out overnight;** however, it is imperative that the music folder returns to the room the following rehearsal. Failure to have music in rehearsal will result in a loss of rehearsal points.

Please exhibit **common courtesy** toward others at all times. Treat others as you would want them to treat you.

Students are expected to **exhibit their best behavior and rehearsal skills** when a guest is in the classroom. This includes substitutes, student teachers, guest directors, Western Hills staff, and visiting students.

No restroom passes will be given during choir, except in an extreme emergency. Please take care of everything before you come to class.

Grading

Grades are based primarily on participation. One-third of the student's grade results from daily participation demonstrating cooperation, enthusiasm, preparedness, attentiveness, good vocal technique, and effort. Performances and performance-type assessments make up one-third. (Some grading periods have more performances than others.) Musical skills tests, in-class assessments, and written work will comprise the remaining one-third.

Grading Scale

92-100%	=	A
83-91%	=	B
74-82%	=	C
65-73%	=	D
Below 65%	=	F

**Any grade below C is grounds for dismissal from the choir.

Daily Participation

A typical week will have 50 (10 per class) possible participation points. A student will start the week with all 50 points. Deductions will be made for any or all of the following:

- lack of effort in rehearsal
- demonstrating a poor singing posture
- poor attitude
- not following directions
- no noticeable attempt to improve in skill areas
- not cooperating with other choir members/section leaders
- not having a pencil in rehearsal
- not having music for rehearsal
- having gum, food, candy, or drink (other than water) in rehearsal
- tardiness to class
- disruption in rehearsal
- unexcused absence from class or truancy

Performances and Performance Quizzes

Performance quizzes take place in class and are announced several days ahead. They involve singing an assigned piece or section of a piece in small groups. Each performance quiz has different expectations and requirements. At least one performance quiz is given each term. Grading periods with few or no performances will have at least two performance quizzes.

Musical Skills Tests and Assignments

Each choir has skill objectives specific to that class (see section specific to your choir). As these skills are presented and practiced in class, assessments (in written and/or oral forms) will be given. Vocal skill and technique assessments may be recorded onto cassette or videotape in a practice room during class time. Written assessments will include both in-class and out of class work.

Attendance

Daily Participation/Attendance

Attendance is crucial for every choir member! Due to the nature of the course, when a student is absent from school, he/she misses rehearsal and explanations that cannot be made up. In addition, the entire choir suffers because that student was not in school to learn his/her part along with the rest of the choir. If a student's absence is excused, he/she may make up the participation points by doing extra credit. This privilege is not extended for any unexcused absences or truancies. It is the student's responsibility to talk to Mrs. Marsh following an absence to determine if make-up work is to be given.

***Advanced Chorale members only:**

Due to a 1st period class time this year, a strict attendance/tardy policy is in place. See the attendance addendum.

Students who are unable to sing 100% in a rehearsal should write a short note for Mrs. Marsh and give it to her at the start of class before rehearsal begins. A persisting lack of vocal participation will require a parental or doctor's note and may require an outside assignment.

Extra Rehearsals

Many times the difference between a superior and a mediocre musical performance is determined by the amount of rehearsal time spent in preparation. Extra rehearsals allow for many things: individual and small group work, help from visiting clinicians, and more time for that "extra polishing." They are vital for any good performing organizations. Please consult your schedules for rehearsals that will take place outside of class time. **ALL EXTRA REHEARSALS ARE REQUIRED** and they **will not** be scheduled unless **absolutely necessary**. You will always be notified of an extra rehearsal well enough in advance in order to make arrangements to attend. If students are late or have to leave early, they must have a written note from their parent or guardian. Excuses will be accepted for missing extra rehearsals only if notification is received *prior* to the rehearsal date. The director will determine whether an absence is excused or unexcused.

Performance Attendance

This is a performing organization. We work constantly to be prepared to perform. When performing, students receive a deeper appreciation of music and a greater feeling of unity from the organization and the people with whom they are involved. Every member of the choir plays a vital role in the success of the entire organization.

There is no other way as a director to duplicate a performance for the student who is absent. There is no other means to make-up the unique thrill of performing. Due to this, the following policies regarding performance attendance apply:

All performances on the schedule at the beginning of the semester, as well as those with at least four weeks notice, are **required** performances. Should you have a conflict that cannot be resolved, notify Mrs. Marsh **at least two weeks ahead of time** verbally **and** in

writing. The further ahead problems are discovered, the easier they are to deal with. Parents should call the choral program office at 875-8400 or e-mail, and leave a message explaining the situation.

Excused absences include personal illness, death in the family, or an emergency over which the student has no control. **Work is not an excused absence for a performance that was scheduled at least four weeks in advance.** If an absence is excused, it is the student's responsibility to get a make-up assignment from Mrs. Marsh. If an absence is unexcused, the student will not be given the privilege of making up the points lost due to the absence. It is a good idea to give a copy of the performance schedule to employers. Mrs. Marsh is willing to write a note to an employer if necessary.

Grades for each performance will be based on the following:

- **Punctuality**
- **Proper Dress**
- **Following Instructions**
- **Proper Concert Etiquette**
- **Singing to the best of one's ability**
- **Staying for entire concert**

Sectionals

Weekly sectionals will be implemented as needed for Advanced Chorale members. Sectionals are additional after school rehearsals for specific voice parts. They will be scheduled for each voice part in the week following the beginning of classes. For members of Men's Chorus and Women's Chorale sectionals may be called if specific work with a particular voice part is required.

Student Activity Conflicts

Although we try our best to avoid scheduling performances at the same time as other school related events, occasionally conflicts do arise which cannot be remedied.

When a practice or rehearsal and an event (game, contest, concert) are scheduled simultaneously, the EVENT takes precedent.

When two events are scheduled simultaneously, a District competition event takes precedence over a regular event, a Regional event takes precedence over a District event, a State event takes precedence over a Regional event, and a National event takes precedence over a Regional event.

When two practices or rehearsals are scheduled simultaneously, the students may SELECT the event in which she/he will participate. **He/She should make the decision, whenever possible, at least seven (7) days in advance. He/she should advise the sponsors/teachers/coaches affected by the conflict immediately.** Under NO circumstance will the student be penalized for his/her decision; that is, class grades are not to be lowered or unreasonable make-up work required, the student will not be benched, nor will the student's ability to earn a letter be impaired because of the decision. In case of a disagreement among the parties concerned, the matter should be referred to the administrator or administrators in charge for a solution.

Performance Attire

Our choir has a reputation of looking very professional in performance. In order for us to look this way, we must all wear the same outfits. Formal concert attire is provided for rental to members of the Western Hills High School Advanced Chorale, Women's Chorale, and Men's Chorus. These garments will be issued to students before the first performance. They are to be used strictly for the purpose of choral performances (NO EXCEPTIONS). **Each family of a choral student is provided the opportunity to rent the attire from the WHHS Chorus Boosters in the amount of \$35.00 to cover the costs of upkeep of choral attire. This rental fee will be used for the purpose of dry cleaning, maintenance of the garments, and purchase of new pieces. If this rental is not from the WHHS Chorus Boosters tuxedos may be rented from a local tuxedo rental (i.e. Suit City) or tuxedos and dresses must be purchased from the attire company (Formal Fashions).** If garments should need cleaning during the year it will be the responsibility of the individual student. All uniforms must be wrinkle-free and in top condition for **ALL** performances. Students not wearing appropriate attire for a performance will lose points on their performance grade and may not be allowed to perform. Please read the section pertaining to your choir to determine your uniform requirements.

***Make checks payable to Western Hills High School Chorus Boosters and bring to choir class.**

Women's Chorale and women of Advanced Chorale

Ladies - will be assigned a properly fitted dress (skirt and shirt). Only "tan" or "neutral" hose should be worn. Black shoes (pumps with closed toes) will be required.

- Small/minimal jewelry is allowed.

Men's Chorus and men of Advanced Chorale

Gentlemen - will be assigned a black tuxedo (coat and pants), shirt, bow tie, and cummerbund. It is the student's responsibility to provide black socks and shoes (no athletic shoes).

READ THIS CAREFULLY!!!

An extreme amount of time, effort, and money has been given (by students, parents, and teachers) to assure that the Western Hills choirs are outfitted professionally. Fines for missing uniforms may be assessed depending on the cost of replacement. This would include loss of the bow tie or cummerbund or any part of the garment that is damaged by negligence.

All Choirs

We will also have a casual uniform (typically consisting of a t-shirt) for less formal performances, travel, and to wear to school on performance days. You will receive more information on this soon.

The Western Hills Chamber Choir is an after school choral ensemble that meets once a week to give students more opportunity to study and perform challenging choral music in preparation for our annual concerts, the University of Louisville Margaret Comstock Chamber Choir Competition, and District Contest. This group has had success in the past year achieving 3rd place at the UofL Chamber Choir Competition in 2005 and 2008 and receiving distinguished ratings at District Contest. This is an auditioned group. A rehearsal day is set at our first meeting when school begins; this will be announced in class.

These opportunities include, but are not limited to, UK Bluegrass Festival, All-State Choir, UofL Honor Choir, American Choral Directors Association Honor Choir, Solo and Ensemble Contest, UK Male Chorus Day, and drama/musical productions. The music department strongly encourages students to participate in these activities to expand their musical horizons. Involvement in these activities carries with it an expectation of hard work and excellence. These activities should be considered a privilege and an honor. Look for information about these opportunities throughout the year.

Tri-M Music Honor Society

Western Hills High School supports a chapter of the Tri-M Music Honor Society. This is an international society for middle school and high school students involved in music. Since this is an honor society students will be selected by Mrs. Marsh to become a member. Generally sophomores, juniors, and seniors are nominated. The criterion for membership includes: exceptional scholarship, leadership, service, and character. Nominations and inductions typically occur in November. You may go to the Tri-M website at <http://www.menc.org/information/trim/TriMMain1.html> and find out more information about the Tri-M Music Honor Society.
